HEALTH AND SAFETY

Contains highly flammable volatile solvents. Keep away from all sources of heat and open flames. Do not smoke whilst handling. Wear suitable protective clothing to avoid contact with skin and eyes and avoid breathing vapour. Do not spray in confined or poorly ventilated areas without the use of approved air supplied breathing apparatus.

FIRST AID

Eyes	If splashed in eyes, irrigate with copious amounts of clean water for 15 minutes. Seek medical aid if irritation persists.
Skin	If splashed on skin, wash affected area thoroughly with soap and water. If irritation persists seek medical aid. Remove all contaminated clothing and launder before re-use.
Inhalation	If affected by exposure to vapours, remove from area, keep at rest and seek medical aid if symptoms persist.
Ingestion	If swallowed, give glass of water to drink and seek medical assistance. DO NOT induce vomiting.

Consult separate Material Safety Data Sheet for more detailed Health and Safety information.
